

hot tip

TO EXCEL AT WORKPLACE

- 1 Core competency:** To make a mark, it is imperative to have authoritative domain knowledge, not only within the boundaries of the company you work in, but also in the industry segment.
- 2 Public speaking :** Communication and presentation skills are very important. Those who speak with confidence and conviction gets noticed faster.
- 3 Creative calling:** Creative thinking and imagination can help build brand advantage and is encouraged by companies. So, sometimes go beyond logic and think aloud.
